

Social Justice

As Disciples of Christ, we have a responsibility to respect the dignity of all people, to work to secure everyone's rights and to work for a more just and peaceful society and world. We undertake this mission through prayer, worship, education, and action, for love of our neighbor is our love of our Lord.

The Homelessness/Affordable Housing sub-committee of the New Roads Social Justice Ministry is collecting kitchen utensils for families moving from homelessness to housing. Please refer to the list of needed items on the reverse side of this flyer. You can select one or several items and place them in the collection boxes at either St. Joseph or St Luke at weekend masses on November 9th and 10th and November 16th and 17th. Items should be new or gently used.

Household Goods in Acton is an organization that provides a full range of donated furniture and household items, free of charge, to help people in need make a home. Sharon Martens, Executive Director of Household Goods, will join us for a discussion of their work on November 17th after the 5:30 Mass at St. Joseph in the lower hall. Come and learn about the families they serve and ways to help. Refreshments will be served. We invite volunteers to join us in assembling the kits after the collection as noted below.
