

New Roads Virtual Christmas Eve Kit

Welcome to Christmas at New Roads!

1

Gather a candle or candles to light during our Communion Song "Silent Night" and don't forget the matches!

2

The best way to watch Christmas Eve Mass is on your TV. If you have a Smart TV with internet access, you likely have access to YouTube. Look up the channel in advance and subscribe so it's easy to find later (see links below). If you're watching Mass from St. Joseph, use another device (smart phone, computer, or tablet) to join in the chat on Church Online during Mass. Get set to join us a few minutes before 4:00 as the Mass will start broadcasting about 10 minutes before 4:00.

Got kids? New Roads is the place for you this Christmas (and always)! Click the "Christmas Resources for Kids" button below to view resources for kids and families this Christmas including videos for different age groups: preschool, elementary, and preteen. You'll also see links to other Christmas activities for kids.
